Philippians
Pastor Mel Shetler

The struggles of coping with fear; being anxious and asking, why are these things happening to me... are not unusual but simply part of our earthly existence. In this study we will encounter Paul writing from a Roman prison to the church in Philippi, his "joy and crown." (4:1) He shares that joy is achievable regardless of our circumstances and the attitude of Christ can be in us. Join in as we are challenged and inspired by the relevance of these New Testament scriptures.
