

MCYG Servant Scholarship Program

This program is intended to enable youth to earn money to go on mission trips, youth retreats, and other spiritually enriching youth group sponsored activities through providing service in our church and the community. People or businesses can donate money to the youth group servant scholarship fund. The money is then “earned” when the youth provide service. The money is then transferred from the servant scholarship account to their personal youth account. Youth accounts are zeroed every 2 years after each overseas mission trip.

The youth group sponsors a monthly outreach project for which the youth can earn \$10 an hour. These events are generally held on the 3rd Saturday morning of the month.

Youth can also do service projects on their own (must be from the approved list of organizations below or receive approval from youth pastor prior to the service) for which they earn \$7 an hour. When they do service on their own, they are responsible to turn in a signed form (available in the youth room and online) within one month of the service provided in order to receive credit. Individual service can be done anytime.
