**The Sermon on the Mount:  
Preparing Disciples for Confrontation (Matthew 5-7)**

“Jesus’ miracles and preaching attracted large crowds to him. So at the beginning of his ministry he takes those who follow him aside to teach them what a disciple looks like. He prepares them for confrontation with a world that will be less than friendly to their new way of life. This class will take an in-depth look at Jesus’ definition of a disciple and what it means to prepare ourselves for confrontation with a skeptical world.”
